This catalogue is printed on 100% recycled (50% post-consumer) non de-inked paper. The cover is 100% reused record covers or posters from Dischord releases. Printed at Barefoot Press, Raleigh, NC. www.barefootpress.com

Always try to use a recycled paper with some kind of post-consumer content and use a paper that is oxygen bleached, hydrogen peroxide bleached, mechanically de-inked or not de-inked at all. Using these specifications encourages paper manufacturers to improve their bleaching processes from the older methods which produce very toxic human-made chemical by-products, including dioxin. Newer bleaching processes mentioned above still can create the toxic by-products but in much smaller quantities, and it is a step in minimizing the toxic waste we all contribute in producing.

NOTATION: IN THE MIDDLE OF DESIGNING THIS CATALOGUE, WE FOUND OUT THIS PAPER HAS BEEN DISCONTINUED. WE BOUGHT ENOUGH FOR US TO USE IN THIS PRINT JOB. THIS WAS THE ONLY PAPER THAT WAS AVAILABLE INEXPENSIVELY IN THE UNITED STATES THAT WAS UNBLEACHED AND USED A HIGH RECYCLED PAPER CONTENT. THE DISCONTINUATION INDICATES THAT PEOPLE ARE NOT SUPPORTING/ BUYING THESE UNBLEACHED RECYCLED PAPERS, PAPER WHICH DOES THE LEAST AMOUNT OF DAMAGE TO THE ENVIRONMENT. WE ARE NOW GOING BACKWARDS IN OUR EFFORTS TO RECYCLE. IF YOU RECYCLE, BUY RECYCLED PRODUCTS...AND WRITE TO HAMMERMILL AND COMPLAIN: HAMMERMILL PAPERS. Hammermill and International Paper 6400 Poplar Avenue Memphis, TN 38197. REUNITY DP PAPER.
